

## Papworth Hospital Patient Relative Accommodation

Papworth Hospital is lucky enough to be able to offer accommodation to patient relatives and friends for short or long term stay.

We currently have 1, 3 storey town house in Papworth Village approximately 5 minute walk from the main hospital.

**Contact Angie on 01480 364958 for more information.**

The town house is in a residential area of the village with excellent street lighting and well laid footpaths helping to make the walk to and from the hospital a safe and pleasant one. Parking is available. We would expect that any relatives using our accommodation would be polite and respectful to our neighbours at all times.

The house consist of 4 bedrooms, all bedrooms are lockable and will be your own private space, 3 twin rooms and 1 single room with access to shared bathroom, kitchen, utility room and lounge area, accessible back garden and allocated parking for 1 vehicle, if this space is full sensible street parking is required, ensuring no drop kerbs or driveways are blocked.

The house is set up to allow all relatives to cater for themselves, the kitchen is well equipped with cooker, toaster, kettle, microwave, fridge freezer etc, the utility area is furnished with a washing machine and some airers.

Housekeepers attend the house twice a week to carry out communal area cleans, but relatives are asked to clean as they go. Cleaners do NOT have access to the bedrooms.

Bed linen and towels are supplied in each room and a small supply of tea, coffee for the first night stay, bed linen is NOT changed during your stay, but you can ask the housekeepers for fresh linen which will be supplied (beds will NOT be changed for you).

We do have to make a small charge for this accommodation to allow us to cover our overheads.

**Please ring Angie on 01480 364958 to discuss accommodation requirements.**

**We endeavour to accommodate as many patient relatives as possible.**

**We are happy to discuss any special requirements you may have during your stay.**

**We do not provide washing or cleaning chemicals or equipment due to H&S and COSHH regulations.**

## **Alternative Accommodation**

Please find listed below details of alternative accommodation, which you may find helpful. Most are within easy reach of the hospital.

We hope this will be of assistance to you.

Whilst we are happy to provide this information for you, it should be understood that Papworth Hospital do not make any recommendations and we accept no responsibility for the management and standards of the accommodation listed.

(Please note this listing is up to date as of December 2016, if however you find any differences please contact 01480 364958 to allow us to continue to update the listings.)
